*** What is your belongs and research area?**

I come from Dalian city of China. I belong to the department of orthopedics in the First Affiliated Hospital of Dalian Medical University. My research area is foot and ankle surgery.

*** Why choose our Hospital or University?**

The foot and ankle surgery in Nara Medical University is the center of Japanese foot and ankle society. Professor Tanaka is the spirit leader of Japanese foot and ankle society.

*** How is your working circumstances?**

The equipment and technology are the best in the world. Professor Tanaka's team are all very nice and gave me warm guidance and selfless teaching.

*** What is the impression of Japan, Nara Pref.?**

Japan is very clean and the people are very polite and friendly. The doctors are very patient and responsible to the patients who respect the doctor very much. The cultural relics in Nara are well protected which has very good environment.

*** Please give a message for the coming Doctors or Researchers in future !!**

The equipment, technology and especially experts of the foot and ankle surgery in Nara Medical University are the best in the world, which is worth learning and benefit all your life.

*** How is your private life here?**

*** have you been staying at our Guest House? Yes • No**

I live in the international guest hotel with my family. The secretary and the staff of the international guest center gave us a lot of enthusiastic help. The international guest hotel with Japanese ancient construction style is clear and very beautiful. I usually eat in the dining restaurant in the hospital. The food is delicious.
