

## The Letter from Lorenz Jenter (stay in 17<sup>st</sup>-July ~ 10<sup>th</sup>-Sep, 2023)

- **What is your studying area?**

I am currently belonging to the medical university from Hanover and I am a 6<sup>th</sup> year med. student.

- **\* Why did you choose our University or Hospital?**

- **\* How did you find our university of Hospital?**

I have always been interested in Japan. During my practical year it was possible to get to know this fascinating country.

I found the Nara Medical University through a list from my examination office. The list includes all universities around the world where we are allowed to perform a part of our practical year.

- **\* How is your studying circumstances?**

During my stay I was in the department of surgery. I had a phantastic time. I saw a lot of different surgeries for example many surgeries with the DaVinci Robot. The team was very nice. They explained the steps of the surgeries and showed a lot to me.

It was one of the best experiences I have had so far.

**\* What is the impression of Japan, Nara Pref.?**

Japan is an awesome country. The people, the culture and the food are just incredible. I have never felt so comfortable in any other country in the world. When I think of Nara Prefecture, the first thing that comes to my mind is the Nara Park and the gentle deer. But also, the beautiful and quiet prefecture between the two metropolises Osaka and Kyoto.

**\* Please give a message for the coming Students in future !!**

First of all, you have made a great decision. I would recommend to explore as much as possible in the Kansai region. Always actively ask for tips and ideas from the locals. Especially I liked the sunset from Mount Rokko on Kobe and Osaka.

**\* How is your private life here?**

**\* have you been staying at our Guest House? Yes • No**

I stayed in the guest house and had a great time there. The location in the middle of Imacho is perfect. Beautiful architecture, many small shops and very close to the university and the train station.

The guest house itself was also very modern and has everything you need for your daily life.
